

GROVE
SERIES

The Traditional Standard of Outdoor Elegance

Inspired by California's iconic redwoods and sequoias, the Grove Series Commercial Patio Umbrella perfectly blends classic beauty and enduring strength. Crafted for restaurants, hotels, and resorts, this umbrella provides the reliable shade needed for high-traffic outdoor spaces while enhancing the overall ambiance with its natural elegance.

Built from premium hardwood, the Grove Series reflects the timeless charm of traditional market umbrellas, combined with modern engineering for superior durability. The canopy offers expansive coverage, making it ideal for outdoor dining areas, poolside lounges, or any setting that requires both style and performance.

Featuring a smooth push-lift system for effortless operation, the Grove Series Umbrella is designed to withstand the demands of daily commercial use while maintaining its refined appearance. Whether offering shade for alfresco meals or adding a touch of sophistication to a terrace, this umbrella combines aesthetic appeal with long-lasting functionality.

FEATURES

Commerical Grade Durability

Designed for commercial use, the Grove Series features a robust 1½” hardwood pole, ensuring long-lasting performance and reliability in high-traffic areas.

Push Lift System

Our easy-glide push lift and integrated pin-lock deliver a crisp, dependable setup, making it the perfect blend of simplicity and reliable function.

Classic Wood Charm

Crafted from high-quality hardwood, adding natural elegance to any space. The subtly grained wood provides warmth and character, ensuring sophistication and charm for any setting.

Hardwood Ribs

The hardwood ribs provide exceptional natural strength, ensuring stability and long-lasting durability for the umbrella, making it a dependable choice for any setting.
