

MADERA
SERIES

Strength in Elegance

Bringing the essence of Madera City, California, to life, the Madera Series Commercial Patio Umbrella captures the rugged beauty and timeless sophistication of nature. With its elegant wood grain finish and durable design, this umbrella is built for commercial spaces that demand both style and resilience.

The Madera Series provides reliable shade and unmatched durability, making it a dependable solution for outdoor environments. Its refined, minimalist aesthetic enhances any setting, offering seamless integration into landscapes that value both form and function. Built to withstand the elements, the Madera Series reflects the enduring beauty and strength of the natural world.

Elevate your commercial space with the Madera Series—a testament to nature's elegance and strength.

FEATURES

Commerical Grade Durability

High-quality aluminum mast with 2mm pole thickness offers superior strength, stability, and wear resistance.

Pulley Lift System

Effortless pulley lift mechanism simplifies opening and closing, ensuring convenient and smooth operation.

Flexible Fiberglass Ribs

Oversized 16mm fiberglass ribs provide exceptional wind resistance and durability, keeping the umbrella sturdy in tough conditions.

Stainless Steel Hardware

Built with stainless steel and zinc-plated components, this hardware is engineered for maximum durability and long-term protection against the elements.
