SERIES

Built for Coastal Living, Designed to Endure

Bringing the elegance of Newport Beach to commercial outdoor spaces, the Newport Series Round Commercial Patio Umbrella offers a balance of modern design and unmatched durability. Designed for commercial environments, this umbrella provides reliable shade and the effortless coastal style that defines Newport living.

The single-piece aluminum mast delivers exceptional stability, while the double pulley lift system ensures easy, smooth operation. Reinforced with fiberglass ribs, the Newport Series withstands wind and weather, making it a durable shade solution for restaurants, resorts, and beachside settings. Built without a crank or tilt mechanism, this umbrella is designed for long-lasting, low-maintenance performance.

With its sleek, contemporary look and superior durability, the Newport Series is as visually striking as it is functional, offering a perfect blend of style and strength for commercial spaces.

FEATURES

Commercial Grade Durability

Single-piece aluminum mast with 3mm wall thickness ensures unmatched strength and durability, free from crank or tilt mechanisms for simplicity.

Double Pulley Lift

Effortless lift system evenly distributes canopy weight, ensuring easy operation, stability, and secure functionality with a convenient pulley cord hook.

Fiberglass Ribs

Extra-thick 16mm fiberglass ribs provide superior flexibility and wind resistance, maintaining stability even in adverse weather conditions.

Sleek and Modern Look

High-polished aluminum hub and finial add contemporary elegance, enhancing outdoor aesthetics with a sleek, shiny, modern design.
