

RODEO
SERIES

Opulent Style and Performance

Crafted to reflect the grandeur of California's most prestigious cityscapes, the Rodeo Series 11Ft Round Commercial Patio Umbrella brings a new level of elegance and performance to any outdoor setting. Inspired by the opulence of Rodeo Drive, this umbrella is built for those who expect the best in both design and functionality.

Featuring a durable aluminum frame, stainless steel hardware, and a refined aluminum hub, the Rodeo Series offers unmatched durability. With no plastic or resin used, it stands as a testament to strength and style. This umbrella is more than just shade—it's a symbol of modern elegance and high-end performance.

Whether it's enhancing a lavish restaurant patio or adding sophistication to a luxury retail space, the Rodeo Series delivers performance as stunning as its design.

FEATURES

Commercial Grade Durability

Robust single-piece aluminum post with 3mm wall thickness ensures exceptional strength, corrosion resistance, and long-term durability.

Double Pulley Lift

Effortless lift system evenly distributes canopy weight, offering stability, easy operation, and secure functionality with a convenient pulley cord hook.

Reinforced Aluminum Ribs

Strong reinforced ribs maintain the umbrella's shape and ability to resist strong winds for improved durability and reliability.

Sophisticated Design

High-polished aluminum accents create a sleek, refined look, enhancing outdoor spaces with modern elegance and durability.
