

SUN MASTER
SERIES

The Evolution of an Original

The Sun Master Series Residential Patio Umbrella carries forward a legacy of outdoor leisure, blending timeless functionality with modern innovations. With flexible fiberglass ribs, a revolutionary collar tilt, and effortless operation, it delivers lasting comfort and shade for any backyard retreat.

Engineered for everyday luxury, the Sun Master Series enhances your outdoor space with a harmonious blend of ease and endurance—perfect for relaxed afternoons or lively gatherings under the sun. Its sleek design and dependable structure make it a seamless match for both traditional patios and contemporary decks.

With the resilience to last and the elegance to stand out, it redefines what shade should feel like—effortless, dependable, and timeless in any setting.

FEATURES

Aluminum Center Post

Crafted from high-quality, lightweight aluminum, the Sun Master Series ensures long-lasting durability and performance.

Easy Crank Lift

Effortlessly open and close your umbrella with our user-friendly crank lift system, designed for smooth operation and convenience.

Revolutionary Collar Tilt

Our collar tilt design has set the industry standard, offering seamless, effortless operation that continues to be the benchmark for superior shade control.

Flexible Fiberglass Ribs

Fiberglass ribs provide enhanced wind resistance and structural integrity, maintaining the umbrella's shape and stability even in strong winds.
